Haiti Mission Concerns. As Mission Hope approaches a new year, may God especially provide for the needs of thousands of orphans who receive their aid.

Buffalo and Erie County: A new year of challenges, social concerns and special needs that cross political party boundaries and include all varied populations should fuel our faithful prayers for our neighbors.

Response to Pandemic: Does this reality bring a specific worry to your heart and mind? Include these and the need for the scientific community to be thorough and honest in their research and follow up to help our nation and the world.
