

### Prayer Ministry

**Praise and Thanksgiving:** \*For all our blessings shed on us by the work and mercy of Jesus, the Christ. Kelly I is back to work\* Pastor Krueger is felling on the mend. PTL! Jake Hake’s back is healing well.

**Comfort & Peace:** Bill Liedich and family \*Fred Fellendorf\* Hanchett Family\* Koeller/Blackmon Family \* Jerry Matthie’s family (Immanuel Lutheran) \*Shehaan Family

**Recovery & Healing:** Ann Nicastro (Cathy Zilke Coworker) \* Ron Olsen \* Mildred (Darlene’s Friend) - her son David and in-laws have Covid \* Sophia Eddy\* \*Baby Emily (Serious Heart Surgery Great niece of Radder’s) \*Nicole (Bobby’s Mom)

**Call Process for Faith and Immanuel:** Remember to give priority in your time of intercession for our congregation and our need of God’s direction at **7:30 AM and 7:30 PM.**

**Our Supreme Court Justices:** In these next few months they consider a case that has the potential of overturning Roe vs. Wade.

**New Believers in Jordan:** Matthew Boden reports new conversions and two new baptisms among those who study the Bible with them. May the Lord grant growth and strength to these new Christians and may he continue to protect and guide the Boden missionary family.

**Haiti Mission Concerns.** As Mission Hope approaches a new year, may God especially provide for the needs of thousands of orphans who receive their aid.

**Afghanistan crisis.** This impacts our reginal area with incoming refugees who deserve the outreach and clear testimony of the gospel. May we be part of God’s movement for their salvation.

**Buffalo and Erie County:** A new year of challenges, social concerns and special needs that cross political party boundaries, all remind us of the need for Devine Light, wisdom, and charity.

**Response to Pandemic:** Does this reality bring a specific worry to your heart and mind? Include these and the need for the scientific community to be thorough and honest in their research and follow up to help our nation and the world.

*Please call and get permission before visiting any of our shut-ins as they may have compromised immune systems.*
